Sub: Civil Supplies - Foodgrains - Powers to requisition foodgrains Requisitioning Order - Extension to Sandur State merged with Bellary District - Orders.

Read: G.O.Ms. 1360 Food and Agri. dated 23-12-1947.

Consequent on the abolition of intensive procurement of foodgrains in certain deficit districts in the State at the end of 1947, a special order was issued by the Govt. in G.O.Ms. 1360, Food, dated 23-12-1947, with a view to provide powers to Collectors and other specified subordinate officers to requisition stocks of foodgrains from any person. This order which was originally applied to certain deficit districts only was subsequently extended to all the districts in the State. This Order was also extended to Pudukkottah and Banganapalli States also in G.O.Ms. 532 Food, dated 12-4-48, consequent on the merger of these States with Tiruchirapalli and Kurnool Districts respectively. But, it has not yet been extended to Sandur State which has been merged with Bellary District. This has to be done now in order to provide powers to the collector of Bellary to requisition stocks of foodgrains in this State forming part of the district. This is quite necessary now especially in view of the fact the intensive procurement and rural rationing have been given up in the district under the revised food policy.

A draft notification is put up. Legal may see for scrutiny. The existing Foodgrains Price Control Order 1947 is in force in Pudukottai and Banganapalle States but not in Sandur. It is proposed to revise the Prices notification shortly when it will be made applicable to Sandur also. It does not seem necessary now to extend the existing Order to this State by a separate notification For orders.

NOTE FOR CIRCULATION.

This file deals with proposal to extend the Order issued in G.O.Ms.1360, Food, dated 23-12-47, providing powers to requisition stocks of foodgrains from any person, to the Sandur State now merged in Bellary District.

This Order is now in force in all the districts and it has also been extended already to Pudukottah and Banganapalle ~~estates~~ 3 States merged in Tiruchirapalli and Kurnool Districts respectively. It is now proposed to extend the Order to Sandur State also to enable the Collector of Bellary District to requisition stocks of foodgrains from any person in this area as such powers are necessary especially now in view of the fact that intensive procurement and rural rationing have been given up in the district. A draft Order is put up for this purpose.

The file may be circulated to H.M.(Food) for approval of the proposal and the draft order. After orders are passed, Govt. of India will be addressed for concurrence.
